We will make arrangements for you to do so.

How will I pay for the services provided?

Payment for the services we provide to you are payable directly to Coverforce. For each insurance product, the insurer will charge a premium that includes any relevant taxes, charges and levies. Coverforce often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to Coverforce by the insurers. However, in some cases you will also be charged a fee. These will all be shown on the invoice that we send you.

You can choose to pay for our services by any of the payment methods set out in the invoice. You are required to pay Coverforce within the time set out on the invoice.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer or charge you a cancellation fee equal to the reduction in commission.

When you pay your premium it will be banked into Coverforce's trust account. Coverforce will retain the commission from the premium you pay us and remit the balance to the insurer in accordance with Coverforce's arrangements with the insurer. Coverforce's will earn interest on the premium while it is in our trust account, or we may invest the premium and earn a return. Coverforce will retain any interest or return on investment earned on the premium.

You may also pay your invoice utilising premium funding. If you do use premium funding you are able to pay your premium by instalments, although you will incur a fee and interest. Any benefit Coverforce may receive as a result of premium funding being arranged for you is set out in this document.

How are any commissions, fees or other benefits calculated for providing the financial services?

Coverforce's commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

X = Coverforce's commission

Y% = the percentage of commission paid to Coverforce by the insurer. Coverforce's commission varies between 0% and 30%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

We will receive the following remuneration in respect of the services provided:

- a percentage share of between 0 – 70% of commission generated by Coverforce PHIB in the placement of insurance policies.

Our Individual Authorised Representatives are not employees of Coverforce PHIB. Any remuneration our Individual Authorised Representatives may be entitled to receive arising out of the performance of their role as an authorised representative is not paid to them by Coverforce PHIB and is subject to a separate employment agreement. Under that employment agreement, the Individual Authorised Representative receives a market salary and may be entitled to a performance bonus depending on the quality of their work provided to clients in the relevant financial year and the achievement of company goals.

Any fees that we or Coverforce charge you will be itemised on our Invoice or Statement and for Retail Clients we disclose the dollar value of the commissions earned. If you pay by credit card we may charge you a fee which is non-refundable and reimburses us for bank fees, interests and charges associated with the use of a credit card. If you are no longer a client of Coverforce, we may charge you a fee associated with the ongoing cost of managing your claims. Depending on any written agreement with us, this fee is up to \$250 per hour.

Coverforce do not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If Coverforce does, Coverforce will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 10% to 50% of our commission or fees.

Coverforce's employees are paid a market salary and may be entitled to a performance bonus depending on the quality of work that they provide to clients during any financial year and the achievement of company goals. Coverforce's employees may also be invited to annual

conferences, receive sponsorship for conferences, functions, meals or other non-monetary benefits from external parties such as insurers, underwriting agencies or reinsurers. You do not bear the cost of these events and such relationships are managed under Coverforce conflicts of interest policy. Coverforce policy is that any of the above received by us or our representatives that exceed \$300 per item or transaction in estimated value are potentially material and must be disclosed to Coverforce Conflicts Manager in writing.

See below for information on the Steadfast association and commission.

Do you have any relationships or associations with the insurers who issue the insurance policies or any other material relationships?

As a Steadfast Network Broker, Coverforce have access to services including model operating and compliance tools, procedures, manuals and training, legal, technical, HR, contractual liability advice and assistance, group insurance arrangements, product comparison and placement support, claims support, group purchasing arrangements and broker support services. Steadfast has arrangements with some insurers and premium funders (Partners) under which the Partners may pay Steadfast a fee to access strategic and technological support and the Steadfast Broker Network. Steadfast is also a shareholder of some Partners.

You can obtain a copy of Steadfast's FSG at www.steadfast.com.au

If we arrange premium funding for you, we and Coverforce may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we and Coverforce paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or charges). If you instruct us to arrange or issue a product, this is when Coverforce become entitled to the commission.

Coverforce's commission rates for premium funding are in the range of 0% to 6% of funded premium. When we arrange premium funding for you, you can ask us what commission rates Coverforce are paid for that funding arrangement compared to the other arrangements that were available to you.

In some instances we have agreements with various insurers to pay us a commission based on the volume of, or profitability, of work that we place with them. Some of those agreements include a profit share. Please let us know should you require more information about those

insurers with which we have these agreements. These arrangements do not impact on the amount you are required to pay for your insurance and does not influence us in deciding where to place your insurance.

Coverforce subscribes to the Insurance Brokers Code of Practice.

What arrangements are in place to compensate clients for losses?

Coverforce has a professional indemnity insurance policy (PI policy) in place.

The PI policy in place covers Us and our employees for claims made against Us by clients as a result of the conduct in the provision of financial services. The PI policy will cover us for claims relating to the conduct of representatives who no longer work for us.

This policy satisfies the requirements for compensation arrangements under section 912B of the Corporations Act.

Cooling off Period

If you decide that you do not need the retail insurance which has been arranged on your behalf, you have a minimum of 14 days from the earlier of the date you receive confirmation of the contract and the date it was arranged to change your mind. You must tell the insurer in writing that you wish to return the insurance contract and

have the premium repaid. If you do so, the insurance contract will be terminated from the time you notified the insurer and the premium will be returned.

The insurer may retain its reasonable administration and transaction costs and a short term premium. You cannot return the contract of insurance if it has already expired or if you have made a claim under it.

We note that the above is the standard cooling off period and that you should check your Insurer's Product Disclosure Statement for the specific cooling off period that relates to your product.

Making a claim

Please contact Us or your Insurer immediately if you need to lodge a claim. Further details on how to make a claim on your policy can be found in the relevant Product Disclosure Statement.

Duty to take reasonable care not to make a misrepresentation

A contract of insurance is a consumer insurance contract if the insurance is obtained wholly or predominantly for personal, domestic or household purposes of the insured. It includes general insurance contracts (such as consumer credit, motor vehicle, home and contents, sickness and accident and travel insurances) and life insurance contracts.

When you apply for home insurance, car insurance or any other insurance that is wholly or predominantly for personal, domestic or household use we will ask you specific questions that are relevant to the insurers decision to insure you and on what terms including the premium that the insurer will charge.

When you take out, renew, extend or vary your insurance policy, it is important that you understand you are answering questions for yourself and anyone else to be covered by the policy.

You should always provide us with complete and honest answers to all the questions we ask you, by answering questions about yourself and other named policyholders to the best of your knowledge.

This is your duty to take reasonable care not to make a misrepresentation.

If you breach your duty, the insurer may be entitled to refuse to pay your claim, reduce the amount payable for a claim or cancel your policy.

If your breach is fraudulent, your policy may be cancelled from the beginning.

Changes to your circumstances

During the term of your contract of insurance, we ask that you inform your insurer of any changes to the details on your Certificate of Insurance that are no longer accurate.

Any changes may affect the premium and excesses applied to your policy or your insurances may be inadequate to fully cover you.

We can assist you to do this and to ensure that your contract of insurance is altered to reflect those changes.
