 - b. attending a meeting with Our representative;
 - c. undertaking functional capacity tests; and
 - d. undertaking vocational assessments.
- 20.6 Any of the additional assessments or investigations requested after the initial information has been provided are at Our cost.
- 20.7 To assess a claim, We may require information from third parties for which We may require either the Insured Person's, or other related parties' consent. If this consent is withheld, We may not be able to accept the claim.
- 20.8 Any of the above initial or further information may be requested by Us at any time in order to assess an Insured Person's continued eligibility for benefits.
- 20.9 For each claim, We will agree with the Insured Person how often We need to be provided with updates. How often We ask for updates and what information We will need will depend on the type of condition the Insured Person has.
- 20.10 The Participating Employer and/or the Insured Person must authorise their Workers Compensation insurer to supply You and Us with any information that is required to determine any claim. The Participating Employer or Insured Person can do this in the relevant part of the claim form.

21 Claim payments

- 21.1 We will pay all benefits to You, unless otherwise directed by You.

22 Benefit offsets

- 22.1 We will reduce any Total Disability or Partial Disability benefit payable for an Insured Person by the amount of any Other Disability Income received by them in respect of the period of Total Disability or Partial Disability.
- 22.2 If We are paying a Total Disability or Partial Disability benefit to an Insured Person who is in receipt of Statutory Benefits and the Insured Person agrees to redeem or commute their Statutory Benefits entitlement to a lump sum payment with an insurer or authority, then We will treat the commutation or redemption payment as Other Disability Income and offset it accordingly for the number of weeks that the commutation or redemption payment represents the payment of Statutory Benefits to the Insured Person. The number of weeks will be determined by dividing the commutation payment by the weekly Statutory Benefit that was paid to the Insured Person immediately before the commutation or redemption.

23 Recurrent disablement

- 23.1 If within six (6) months after the date a Total Disability or Partial Disability benefit ceases to be paid, the Insured Person again becomes Totally Disabled or Partially Disabled due to the same or a related Injury or Sickness, the Waiting Period will be waived and We will regard any further benefit payments as a continuation of the previous claim.
- 23.2 If an Insured Person suffers a recurrence of Partial Disability and/or Total Disability for the same or a related Injury or Sickness, and the Insured Person worked on a full time basis for a period of at least six (6) months after the previous period of Total Disability or Partial Disability, performing all the duties of their usual occupation, the subsequent period of Partial Disability and/or Total Disability will be deemed to have resulted from a new Injury or Sickness and a new Waiting Period and full Benefit Period will be applicable.

24 Benefit payments

- 24.1 Benefit payments are paid in arrears. If We admit liability We will pay the first payment two (2) weeks after the end of the Waiting Period. Payments will be paid at fortnightly intervals thereafter until the time We cease to be liable to pay a benefit. If a benefit is payable for less than a whole week (7 days), We will pay 1/7th of the weekly amount for each day the benefit is payable.
- 24.2 You are obligated to pay any and all benefits paid by Us to You, to the Insured Person (except where a reimbursement occurs), and in a timely manner.

25 Mental Health benefit payments

- 25.1 Where Mental Health cover has been selected and the Insured Person has made a claim in relation to a Mental Illness, in order for benefit payments to continue beyond three (3) months, clause 11 must be satisfied.

26 Cessation of benefit payments

- 26.1 Benefits will cease as soon as one of the following happens:
- a. the Insured Person is no longer Totally Disabled or Partially Disabled;
 - b. the Maximum Benefit Period ends;
 - c. the Insured Person reaches age 70;
 - d. the Insured Person dies;
 - e. where the Participating Employer has not elected to make the Mental Health benefit available to Insured Persons, and a claim is being paid for a Mental Illness,
 - f. when Workers Compensation benefits cease; or
 - g. where cover for the Mental Health benefit has been obtained by the Participating Employer, in accordance with the end of the Mental Health benefit terms.
- 26.2 If an Insured Person suffers Total Disability or Partial Disability whilst residing or travelling outside Australia, the payment of benefits will cease six (6) months after the date the Insured Person was deemed Totally Disabled or Partially Disabled, unless the Insured Person has permanently returned to Australia.

27 Subrogation

- 27.1 If We pay a benefit to indemnify an Insured Person for any loss under the Policy, We may have and We may exercise Our right to take action or commence proceedings in the Insured Person's name to recover from any person who may be legally liable for that loss. Both You and the Insured Person must provide reasonable assistance to Us in pursuing any such action or proceedings.
- 27.2 If the Insured Person brings a claim in their own name against another person arising out of the insured event giving rise to indemnity under this Policy and the Insured Person is successful in recovering against the other person, then the Insured Person will repay to Us out of any such amount they are awarded for their loss for the same period during which the Insured Person received benefits under this Policy. We will provide reasonable cooperation to the Insured Person or their legal advisers in bringing any such action.

28 Recovery of overpaid amounts

- 28.1 Where a Participating Employer or an Insured Person has been paid an amount under the Policy which We are entitled to reduce under applicable legislation, the Participating Employer or the Insured Person will be liable to repay the full amount of any overpayment to us.

- 31.1 The Premium will be calculated as per the Premium Rates specified in the Monthly Premium Statement.
- 31.2 In certain circumstances, We may also alter the Premiums payable under the Policy.

- 32.2 Acceptance of any Premium after the due date (on a regular basis or otherwise) will not be construed as a waiver of this clause.
- 32.3 No benefit is payable in respect of an Insured Person until all outstanding Premium that is payable by a Participating Employer in respect of all Insured Persons of that Participating Employer are paid.

33 Premium Waiver

- 33.1 If a Premium becomes payable in respect of the Insured Person whilst a benefit that is not a lump sum benefit is payable under the Policy, We will waive the Premium due in respect of the Insured Person for the period during which the Insured Person is receiving a benefit.

34 Guarantee Period

- 34.1 Subject to clause 19.3, 34.3 and 34.4, the Guarantee Period comes into effect on the Policy Commencement Date and will terminate on 31 October 2024.

Where this relates to a specific Participating Employer any resulting changes to Premium will only relate to the specific Participating Employer;

 - j. From 1 November 2024 there has been an incorrect calculation or error in calculation made by Coverforce, or incorrect, incomplete, inaccurate or erroneous data collected, generated, provided or held by Coverforce in the three (3) years prior to the current date (which may include a time period prior to 1 November 2022) in relation to The Policies, which has adversely affected Our decision (formed reasonably and by applying appropriate actuarial principles) whether, and on what terms and conditions cover has been provided under The Policies.

For the purposes of this clause 34.3 'The Policies' means any or all of policies MP8841 PayCover, MP8842 UPlus, MP8843 WageCare and / or MP8844 WageGuard issued by AIA Australia. 'You' means the various owners of the Policies, severally or together.

- 35.1 This Policy is issued from Our Statutory Fund Number 1 and is a non-participating policy. It has no surrender value and does not participate in any surplus arising within the Statutory Fund.

37 Supply of information and evidence

- 37.1 You must do everything appropriate to enable compliance within a reasonable time with any of Our reasonable requests for information and evidence in connection with this Policy. Any inadvertent error or omission on the part of either party will not relieve the other party from any liability which would attach under this Policy, provided that such error or omission is rectified as soon as possible after discovery. Such rectification will include payment for any loss incurred by the other party as a consequence of the error or omission.

38 Government charges

- 38.1 As any new, or increase in, government charges, duties or taxes is beyond Our control, We may adjust the Premium Rates in line with such introduction or increases, or We may pass such charges, duties or taxes on to Participating Employers directly.
