

# To protect what matters most

With AHI TeleHealth you can rest assured you are in safe hands

At AHI we are committed to providing our clients with expert assistance and it is this commitment that has seen us further our assistance capabilities, introducing AHI TeleHealth, an exclusive partnership with Docto; Australia's first online telemedicine hospital.

## Global Access to Doctors 24/7, 365 Days a Year

AHI TeleHealth gives you access to fully qualified Australian doctors 24 hours a day, from wherever you are in the world.

## Get Advice Fast – Anywhere, Anytime

From anywhere in the world\* with AHI TeleHealth you have access to medical, diagnostic and treatment advice as well as electronically sent prescriptions.

\*Excluding North America

## Simple and Easy to Use

With AHI TeleHealth you can consult with a fully qualified Australian doctor direct to your smartphone, tablet, or laptop, whilst keeping all data encrypted and secure.

## Access to Vast Expertise

AHI TeleHealth provides access to a leading group of medical specialists, who should you need them can also offer telemedicine consultations.

### Benefits of using AHI TeleHealth:

- ✓ No need to search for a local doctor
- ✓ See a doctor face to face from the comfort of your hotel room or home
- ✓ No more waiting rooms
- ✓ Guaranteed to talk to an English speaking doctor
- ✓ Receive prescriptions electronically, fast
- ✓ Staffed by fully qualified Australian doctors, 24/7, 365 days a year
